

GLOSSOP HIGH SCHOOL | UNIFORM GUIDELINES

Our school dress code reinforces the pride in student appearance, instils recognition of themselves as an integral part of the school community and makes it easy to identify visitors on school premises. Our uniform also assists with the development of school pride when representing Glossop High School in the wider community.

It is expected that all students will wear the uniform as specified in the current Uniform Policy while attending school, at school functions, when representing the school and travelling to and from school. Glossop High School uniform is endorsed by Governing Council.
