Topic	Minutes	Actions required
GHS Consolidation update	<p>Update on:</p> <ul style="list-style-type: none"> <li>• Construction</li> <li>• Branding</li> <li>• Agriculture</li> </ul> <p>Construction is in full swing with the performing arts renovation/extension having now begun. Our SC support people (Sam and Elizabeth) are continuing to meet with the contractors each week to address anything that comes to light regarding the build. Some points to note at present include:</p> <ul style="list-style-type: none"> <li>• Additional asbestos has been found and will be removed at the end of this week, outside of school hours.</li> <li>• The shedding has now all been dismantled</li> <li>• A gas line was hit and has been fixed; there are many unknowns beneath our school that we are sure to continue to discover as we move forward. Funds have been allocated in the budget for incidents like this and as such, shouldn't affect the overall budget or progress.</li> <li>• Emily is currently sourcing additional avenues for additional funding in particular for agriculture, fencing, special options and our (new) branding.</li> <li>• Emily has requested a 10-year lease for additional land from TAFE adjacent to our land which our Minister is aware of and has stated that he is willing to support at the moment.</li> </ul>	<p>Action:</p> <p>Assigned to:</p>

	<ul style="list-style-type: none"> <li>• An analysis of Burgess Drive and Stadium Drive is currently being undertaken by Sitzler to determine action that may need to be taken for transport purposes around this area (buses etc)</li> <li>• An 8m slip lane to the left hand side of the school's driveway (where the Special School will be accessed) will be created for the purpose of our buses and student drop-off and pick-up.</li> <li>• The Branding Focus Group are in full swing as Emily has previously informed us with an announcement to occur via our local media this week regarding the school's impending name change. Public Consultation will then occur in the coming weeks with a relatively short timeline wherein feedback regarding our branding (name in particular) will be sought from interested parties to be taken back to the Branding Focus Group and the Governing Council.</li> <li>• The Agricultural Focus Group continue to work with the Governing Council's support, towards requests for accessing additional funding to support the school's Agriculture focus.</li> </ul>
